# **NO CODING BUT WE STILL JOIN FB HACKING GAME !!**

This team of work is full of hacker spirit & we do not need any program coding and APPs !!!  
本隊作品富有強烈駭客精神所以 我們不需要程式編碼和 APPs !!!

## The difference between Pet Albums and Photo Albums

Make "PET TAGS" the combination of first letters from English equivalence of **each Chinese character**, using Hanyu pinyin system, so that the tags can be

controlled within 26 English letters

instead of getting lost in the ocean of Chinese words.
